[My Transformation Story](#)

My why...Matt and our two children.

I needed to be healthier and my goal was before 40.

I needed to save more than we spend on household items; groceries and beverages were my first places to save (LIMU).

I am now able to save more on water, personal care, and skincare.

I look forward to the other House of Brands in the future.

Only Gold Standard companies are will be able to merge with Ariix as they continue to grow their House of Brands.

Happy Travels,

ARIIX Travel

ARIIX Travel is exciting *BUT* did you know that you can actually MAKE money with it?!

Travel agents make money when you book thru them...now you are a travel agent too! 😊

I booked my flight thru Ariix Travel!
It was simple, just like booking thru any other travel website EXCEPT...every dollar is rewarded back to me!

Are you ready to get started?

If you desire to make a difference in the world, you must be different from the world.

And enjoy saving...

time, money, and the environment while
improving your health!

This was our standard cooler... we didn't drink more than one can so brought home the extras unlike our previous "pop" intake and now we don't need to buy or pack disposable water bottles to wonder who drank only half or have to pick up the empties off the car floor or ground.

Water and Air filter for the refrigerator and groceries are needed and you may get rewarded by using the department store rewards program or your credit card gives you a small cash back incentive.

The Puritii water bottles are about 90 cents per gallon. Every penny you invest in your health thru LIMU + Ariix is matched in your Reward Bank as a promoter including shipping and tax.

The dollars you spend on coffee, tea, diet pill or shake at the local health store and so much more can be redirected ... I didn't want to add another bill to my family's budget. We have been saving money and as of October 1, 2019 we have been able to redirect more of our money toward a better financial future.

Fridge is stocked... making snacks now!
