## My Transformation Story

I have tried Slim Fast, Apple Cider Vinegar, Lemon Water, Fasting, Weight Watchers, no gluten, and even weight loss tapes and apps; my best result was when I participated with a group nation-wide through the Real Appeal program. The key is we learned to eat and exercise properly and gave one another the support and tips/tricks we needed weekly! Set and goal, be accountable to yourself...you matter! (Remember: Airline flight protocol...take care of you or you can't take care of others.)

So, true...I was unable to mow the yard, hug my kids until they showered from being outside, they learned to do their laundry because of the pollen, and worse of all I couldn't feel them holding my hands due to stress. ARGH!

In October 2017, I added Fucoidan found in the LIMU products to my daily routine because of its natural anti-inflammatory value. Today my asthma and allergies do not flare up on a daily basis. (Now I can help scoop in the barns, mow the lawn, and so much more!)

In September 2019, I was introduced to all of the products in Ariix House of Brands. So thankful to have these health and wellness products for myself, family, and friends. Review their product labels and see for yourself why myself and so many others are feeling better today than ever!

You are welcome to join me and my family/friends as we look forward to the next chapter(s) in our life's journey.

Sharing the blessing of Ariix to all,  
Kathy Micheel

 Yes, I want to order just a few products at **retail** price. (Reward Bank not included.)

**Step 1)** I will choose from the all of the Ariix products today!

Sign-up with [Kathy Micheel](#) – Retail shopping

(You may order under Matt , Kaitlyn , or Tucker's account below.)

**\*100 PV monthly minimum as a Promoter or as a Customer if you would like to qualify for 3 for FREE.**

Example: Kathy is the promoter, [Matt](#), [Kaitlyn](#), and [Tucker](#) are my customers. Kathy would normally pay \$120.00 plus shipping and tax for 4 bottles of 5x in November. Since Kathy had three customers who bought 100 PV each in October she will only pay about \$25.00 for the shipping and tax AND that \$25.00 is paid back to her in her Reward Bank to be used toward more product, travel, diamonds, etc.

(In December 2019; Kathy was able to get Slenderix + Xceler8 and Giving Greens for less than \$50.00!)
