[ARIIX Origins](#) (7.10 min.) is about why the company was started and why it is THE opportunity for you no matter where you are in life.

It all began with **Dr. Fred Cooper**, visionary and entrepreneur. Fred loves this industry yet knew it **needed to be disrupted**.

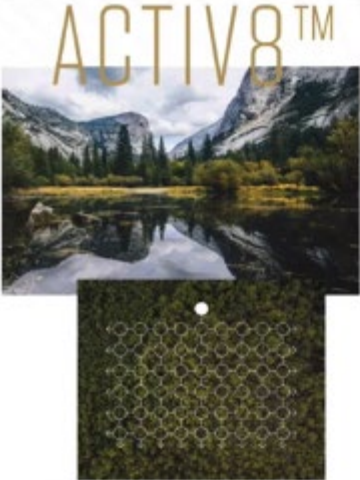

Much like **Apple** did to the *telephone and communications industries*, like **UBER** and **Lyft** have done to the *transportation industry* and **AirBNB** has done to the *lodging industry*.

My Transformation Story

I have tried Slim Fast, Apple Cider Vinegar, Lemon Water, Fasting, Weight Watchers, no gluten, and even weight loss tapes and apps; my best result was when I participated with a group nation-wide through the Real Appeal program. The key is we learned to eat and exercise properly and gave one another the support and tips/tricks we needed weekly! Set and goal, be accountable to yourself...you matter! (Remember: Airline flight protocol...take care of you or you can't take care of others.)

So, true...I was unable to mow the yard, hug my kids until they showered from being outside, they learned to do their laundry because of the pollen, and worse of all I couldn't feel them holding my hands due to stress. ARGH!

In October 2017, I added Fucoïdan found in the LIMU products to my daily routine because of its natural anti-inflammatory value. Today my asthma and allergies do not flare up on a daily basis. (Now I can help scoop in the barns, mow the lawn, and so much more!)

In September 2019, I was introduced to all of the products in Ariix House of Brands. So thankful to have these health and wellness products for myself, family, and friends. Review their product labels and see for yourself why myself and so many others are feeling better today than ever!

You are welcome to join me and my family/friends as we look forward to the next chapter(s) in our life's journey.

Sharing the blessing of Ariix to all,
Kathy Micheel
